### **INTERIOR DISPLAYS ON SHELL SCHEME SITES**

Exhibitors are at liberty to engage a contractor of their choice to carry out the construction and installation of interior displays on shell scheme stands provided that the name of the contractor appointed is submitted to the Organisers.

The official shell scheme contractors, ChanYeer, will, of course, be pleased to provide estimates for such work. Please note that all materials used for the construction of displays must be of a non-inflammable nature.

**PLEASE NOTE:** If you are ordering any extra items such as furniture, electrics or staffing etc please ensure that you make payment to the relevant contractor in full, in advance of the exhibition, to avoid delay onsite. In China, orders are not serviced unless full payment has been received. To avoid delay onsite, please check that your payment has been received before you leave for the show and, if possible, bring proof of payment with you the show.
